

Information

To all visitors and volunteers at Smyrna Home / Smyrna Mission house!

Welcome!

- These places are run by committed people who serve sacrificially, very often working overtime, but for at small allowance. This asks for your special consideration.
- Please RESPECT the committee which is responsible for running this place. Most of the money spent here comes from Sweden, some from other countries, given by loving hands and meant to be SPRENT CAREFULLY. Therefore, please PAY FOR YOUR MEALS, telephone calls, e-mail or use of the fax machine, according to the current prices and foreign exchange rates. Please make all your payments to the office and NOT to any individual employee.
- We believe that you can encourage the workers in the different departments by moral support and by helping them in their work.
- If you wish to give any gifts to anyone on the premises, please discuss the matter with the committee first.
- If you want to use any of our vehicles we would appreciate your paying not only for the petrol but also an extra amount towards the maintenance of the vehicle.
- Use of liquor, smoking, indecent language and any form of misbehaviour are strictly prohibited.
- Your manners towards the opposite sex should agree with the customs of the country.
- Both males and females should refrain from going into the rooms occupied by the opposite sex on their own.
- Smyrna Home and Smyrna Mission house are both Christian institutions and there will be gatherings and meetings which you may not attend, if you don't want to. But you are most welcome to join, whoever you are and whatever you believe in.
- Please abide by the rules and regulations at Smyrna Home/Smyrna Mission House. If there are any doubts, please contact the committee.
